RE: Application of Gideon Baptist Church (17008)

Dear Chair Griffis:

As a member of the Gideon Baptist Church family and the owner of the adjacent property (square 2998, lot 0008) to the church (square 2998, lot 0007) on Illinois Avenue, it is a pleasure to make the following offer. Since I also own the adjoining property at square 2998, lot 0009, the church has my permission to use this vacant lot to park their vehicles. This would provide more off-street parking and additional information for you and the board to consider in granting us the variance from the requirement under section 2101.

Very truly yours,

Betty J Davis

Mrs. Betty Davis
