Dear Chairman Griffis:

1. Case No. 17009 - Application of RWN Development Group, pursuant to 11 DCMR § 3104.1, for a special exception to allow an increase in building height from 40 feet to 50 feet under subsection 1402.1, and pursuant to DCMR § 3103.2, a variance from the residential recreation space requirement under section 773, to allow the conversion and enlargement of an existing commercial building into a 34-unit apartment house in the RC/C-2-B District at premises 1700 Kalorama Road, N.W. (Square 2567, Lot 81).

2. A public meeting of ANC 1C to consider the above-referenced application was held on Wednesday, April 2, 2003.

3. Proper notice of said meeting was duly given.

4. ANC 1C has eight members, and five members must be present to constitute a quorum. Eight members were present at the time the vote was taken: Commissioners Roth, Apostolides, Weaver, Moretti, Levy, Broaddus, Gibson, and Coudriet.

5. ANC 1C concluded the applicant had submitted an application that was within the parameters of the Reed-Cooke Overlay district, and had included the affordable housing requirement for the special exception under subsection 1402.1, and the applicant had taken prudent and necessary steps to conduct community outreach and respond to community concerns.

6. ANC 1C adopted the following resolution:

"WHEREAS RWN Development has applied for a zoning adjustment for their development project at 1700 Kalorama Rd, The Kalorama Lofts; and

"WHEREAS the development needs a special exception for a total height of 50 feet; and
