Attn: Jerrily Kress

The purpose of this letter is to request an expedited hearing on May 27, 2003 or before if possible for the zoning permit for the Evangel Missionary Baptist Church, located at 2122 Jackson Street, NE Washington, DC 20018.

Due to an Act Of God the original building was destroyed by fire on 28 February 2002 we would like to begin the construction for the new site as soon as possible, we are currently conducting our services a the John Burroughs Elementary School which limits our activities to the community and imposes an enormous hardship for us to pay rent and at the same time prepare for a new building.

The zoning permit file # is 17015, your help in helping to expedite this matter would be greatly appreciated. Thanking you in advance.

If additional information is needed, please call the church office at the above number or you may fax information to the number listed above.

Sincerely,

Rev. DeWayne G. Parker, Pastor
Carlton Whitaker, Chairman of Trustee Ministry
Lorene J. Williamson,
