The undersigned agent and owner acknowledge that they are assuming the risk that the owner may require additional or different zoning relief from that which is self-certified in order to obtain, for the above-referenced project, any building permit, certificate of occupancy, or other administrative determination based upon the Zoning Regulations and Map. Any approval of the application by the Board of Zoning Adjustment does not constitute a Board finding that the relief sought is the relief required to obtain such permit, certification, or determination.

The undersigned agent and owner further acknowledge that any person aggrieved by the issuance of any permit, certificate, or determination for which the requested zoning relief is a prerequisite may appeal that permit, certificate, or determination on the grounds that additional or different zoning relief is required.

The undersigned owner hereby authorizes the undersigned agent to act on the owner's behalf in this matter.
