Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?
Increased noise noise at night; increased trash pollution; lower property valuation; increased crime

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)
Owner and resident of house catty-corner from the 7-11, which will be adversely affected by 24 hour operation.

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.) 189 feet

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied? We are constantly having to clean up trash from the 7-11; a 24-hour operation will increase this problem. We will be adversely affected by increased noise, traffic, pollution, sleep disturbance and crime.

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied. The 24-hour operation will attract increased traffic to the neighborhood between 11 PM and 7:AM disturbing sleep; adding trash and air pollution and inviting crime.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.

We are nearby residential neighbors of the 7-11 and will particularly suffer from the added noise, trash pollution, air pollution, sleep disturbance and risk of added crime
