Board:

With this letter, we would like to speak very strongly in opposition to the request by the 7—11 store, to expand the store hours to 24 hours. All of the residents that we have interacted with agree with our position. One even stated that the present management(owners) of the store do not want the hours extended.

The Foggy-Bottom/Westend residential area has a sufficient number of existing or planned grocery stores, drug stores, restaurants, fast food stores to satisfy our needs. Extending the hours of the 7—11 will not add value to our standard of living. Extending the hours may bring additional undesirables into a highly residential area. Please support the ANC, FB Association and resident's position and vote down this proposal.

Sincerely,

Dr. Robert & Norrene Vogt
