Re: Application No. 17021

Dear Ms. Wade:

Please be advised that on Tuesday night, following the hearing on Application No. 17021, deliveries were made to the 7-Eleven at 912 New Hampshire Avenue long after the 10:00 p.m. deadline established in the BZA's orders and the Management Agreement you entered into with ANC-2A. This occurred again last night as it has many nights in the past. This condition continues to be consistently violated and it is apparent that the store management and delivery people have not been instructed on the delivery restrictions.

Very truly yours,

Harold L. Talisman
