Dear Chairman Griffis:

I am writing to you today to ask your support of Edmund Burke's application to expand its facilities that is to be heard by the BZA on July 15, 2003.

In response to concerns by its neighbors, Burke has made many changes over the past year that should ease the traffic flow and the congestion in the area. As a local neighbor and a parent of a recent graduate, I am deeply aware of the impact of the school in the neighborhood.

Burke has plans to reduce traffic congestion including parking plans. It seeks to reduce enrollment growth and wants to be a strong voice in the community, working with the community for the betterment of all.

In all honesty, I am proud to be a parent of a Burke graduate. I was proud to be a parent of a Burke student. Edmund Burke is a valuable asset to our community. Students from Burke participate in many areas of city life and contribute time, energy and money to make our city a better place to live. It's not just talk; it's action.

Please support Burke's application for expansion. That way, more students can acquire the kind of education my child was fortunate to obtain.

Sincerely,

Renée Weitzner
