Dear Mr. Ailes:

This correspondence is in reference to your request for a traffic survey.

Specifically, you requested that the Metropolitan Police Department monitor your schools drop off site located at the intersection of Connecticut Avenue and Van Ness Street N.W.

During the week of September 15, 2003, members of the Second District, Traffic Enforcement Unit, conducted a survey your drop off procedures at this location, and its effects on the flow of traffic.

Upon completion of this survey, it has been determined that the current drop off location and procedures utilized by the Edmund Burke School, has no negative effect on the flow of traffic, or student safety.

If you are not satisfied with the results of the investigation, you may appeal in writing to the Chief of Police. Appeals shall be addressed to:
