Please answer all of the following questions referencing why the above person should be granted party status. (If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?

The requested action will make an already intolerable traffic and parking situation worse.

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)

Owner

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.)

Property is directly down the street from the school

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied? Overutilization of this once quiet and narrow street has affected the quiet enjoyment of my property.

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied. Given the school's current, deliberate noncompliance, I am concerned that the school's enrollment will increase way beyond that of the requested numbers should the expansion occur.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.

By the school's own admission, my property is directly affected by the traffic and parking problems generated by the school.
