BZA Case No. 17022 Exhibit No. 48

Please answer all of the following questions referencing why the above person should be granted party status. (If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?
The increased traffic Creates serious problems with pedestrian safety as well as safety entering + exiting the street as well as the adjacent alleys. Negative impact on parking also is a problem

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)
owner

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.) W/ one City block

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?
My primary Concerns are Safety due to traffic and further destruction of the residential nature of the nearby streets - especially UPTON

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied.
Burke has primarily paid lip service to Neighbors' Legitimate Concerns in the past and this situation can only be expected to worsen if their Application is Approved.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.
I live on the same street with a husband who has serious mobility problems. Already the Burke traffic density poses an increased risk just trying to enter or exit UPTON Street, Not to mention the parking problems due to inadequate enforcement. Unfortunately, my husband's Medical appointments make it impossible to avoid traveling the several times a day when it is worse.
