ZONING

Geoffrey Griffis, Chair
Board of Zoning Adjustment
441 4th St., NW Suite 210
Washington, DC 20001

June 24, 2003

Regarding: 2767 Woodley Place, NW (BZA Application Number 17031)

Dear Mr. Griffis:

At the regularly scheduled June 2003 meeting of Advisory Neighborhood Commission 3C, the application for zoning relief for the construction of a deck at 2767 Woodley Place, NW, was considered. This matter was advertised both by publication and on the consent calendar on ANC3C's website. We received no comments from the community either for or against the project.

The commission voted to inform the Board of Zoning Adjustment that the review was conducted and the application was approved.

Questions concerning this project should be brought to the attention of Commissioner Allen Hahn.

Sincerely,

Nancy J. MacWood
Chair, ANC3C
