Re: Application No. 17033
Arena Stage

Dear Chairperson Mitten:

This is to inform you that Advisory Neighborhood Commission 6D, at its regularly scheduled public meeting on June 9, 2003, voted 3-2 with one abstention, to support the application of Arena Stage for the modification of its application previously approved by the Board (Application No. 16933-A. ANC 6D has seven Commissioners, and four comprise a quorum.

The Commission continues to support the project as being a benefit to the community, and found that the factors that formed the basis of the Commission's support of the original application have not changed.

Therefore, ANC 6D continues to recommend approval of the application, and asks that its recommendation is accorded the great weight to which it is due.

Sincerely,

Ahmed Assalaam
