Re: Meredith & Stephen Peterson's proposed addition to 1247 35th Street, NW
Date: October 2, 2002

I am writing this letter in support of the proposed in-fill addition to 1247 35th Street, NW. I live at 1249 35th Street, and am the neighbor who would be most directly affected by the addition. I have seen their plans and have no objections to them. The Peterson's have my full support of the project.
