Re: BZA case 17043

Greetings

I reside at 623 C St. NE and strongly oppose reducing the number of MedLink's required off-street parking spaces. Street parking on the 600 block of C is already quite full. Reducing MedLink's required number of off-street parking spaces will sooner or later, increase the competition for on-street parking spaces.

Any reduction in MedLink's parking requirements should be conducted through a public process with opportunities for input from neighborhood residents.

Respectfully,

Michael Malone
