D.C. BOARD OF ZONING
2003 JUN 19 PM 3:53

Dear Ms. Kress:

We write in reference to case number 17044, scheduled for a public hearing on July 29, 2003. This is the application of Claudio and Lucia Rosan to establish an Inn/Tourist Home (15 unites) at 2005 Columbia Road, N.W.

We strongly oppose this application.

The impact on parking and traffic would be highly undesirable. We are not talking about having to look harder for a parking space ourselves, because we do not have a car. But bus stops and crosswalks routinely, and fire hydrants occasionally, are already continually blocked by illegally parked cars that the authorities do not have the resources or will to deal with. Inviting tourists from far away states, who would have no concern whatever about parking tickets, would continue to degrade the neighborhood.

Sincerely,

Adam and Ann Clymer
