RE: Parking Variance (BZA 17047)

Dear Mr. Griffis:

I am writing this letter to inform you, that as the owner of #2 Patterson Street, the RLA Revitalization Corporation has no objection to the subject parking variance application (BZ Case No. 17047). As you may know, #2 Patterson Street is directly across the street from the property subject to the parking variance application

Should you have any questions or require additional information, please do not hesitate to contact me at (202) 530-2468.

Sincerely,

Therman A. Baker, Jr.
