Dear Ms. Kress:

Please be advised that I am in receipt of your letter and memorandum dated July 16th, 2003, regarding the plans for construction of a "Model Cities Senior Wellness Center, located at 1901 Evarts Street, Northeast.

As a commissioner, this property is a portion of my single member district, and of course, any construction in my community concerns me greatly, however after previous conversations with Mr. Courney Williams, who is associated with the construction, assures me, this project will not interfere with or increase the flow of traffic. Also, the residents of our community are entirely in FAVOR of any facility which will serve our senior residents, in this community, as well as, the seniors of this city.

Therefore, please receive this notification as a "Letter Of Support" for the construction of Application Number 17052.

Should you have questions or need additional information, feel free to contact me on 202 302-5459.

Thank you in advance for your timely attention.

Sincerely,

Rebecca Scates,
Commissioner ANC 5B02
