Re: BZA Application No. 17055 - Knollwood/Army Distaff Foundation, Inc. Response to September 26, 2003 Letter Regarding Request for Postponement of October 14, 2003 BZA Public Hearing

Dear Chairman Renshaw:

This letter responds to your submission to the Board of Zoning Adjustment ("BZA") dated September 26, 2003 regarding the above-mentioned application. We look forward to continuing the community dialogue process that has already begun in this case. In order to allow an appropriate period of time to have a productive dialogue with the community regarding our proposed addition, we will request that the BZA not schedule a public hearing for this application prior to January 2004.

If you have any additional questions or comments, please feel free to contact me.

Sincerely,

Donald C. Hilbert
