BZA # 17055

To the members of the Board:

I am writing to add my voice to those people in the neighborhood who are concerned about the proposed over-turning of the 25-year building use agreement, as well as the added flow of traffic on Tennyson Street which I use to exit my street.

Two other significant factors which should be the concern of the Board Members are (1) the danger to children living in the immediate vicinity and (2) the unwillingness of the representatives of Knollwood to engage in any meaningful discussion with people who will be seriously affected by the changes.

The residents concerned should be given free use of the Board.

Sincerely,

Lena B. Pilcher
