Re: Application # 176

Dear Mr. Griffis:
Ten years ago my wife and I came to this country from Russia and we settled on this quiet, pleasant street in Washington, DC. I am writing let you know I believe Knollwood should not be allowed to do any building until 2015, as it agreed to do back in 1990.

Knollwood agreed not to build for 25 years and the Board of Zoning Adjustment made that a condition of allowing the 1990 expansion to be approved.
What I have to love about this country is that it honors the rule of law. Allowing Knollwood to expand 12 years before the rules allow is something I would have expected to occur in Russia, but not here.

And so, I ask that you disapprove Knollwood's plan to build when it comes before you in February.

Respectfully,

Nickolay Zimin
