Re: Knollwood-
Army Distaff Foundation
Letter of Support for BZA Application
No. 17055

Dear Members of the Board,

I have read the material I have been sent concerning Knollwood's intention to extend its facilities.

My planning into the future includes my becoming a Knollwood resident, specifically to satisfy my desire as a person born in the District of Columbia to die within the limits of the city.

Therefore, I support the BZA Application No. 17055 for these contemplated improvements to their facilities at Knollwood, which will significantly improve their care for the elderly.

Yours sincerely,

Frank A. Taylor
