Mr. Richard Nero
District of Columbia Office of Zoning
441 4th Street, NW, suite 210-S
Washington, DC 20001

Dear Mr. Nero,

We write in support of Richard and Ellen Miller's application for a small addition to their home. The addition will include replacing a bathroom and adding a closet.

We live directly across Tracy Place from the Millers and believe that their addition is appropriate in size, in keeping with the scale of houses in this neighborhood, and will, in fact, improve the façade of the their house. We are convinced the addition will enhance our view of their house. Thus, we are in complete support of the project and urge your approval.

If you need any more information, please contact us at the above address or at 202-234-6117.

Sincerely yours,

James A. and Claudia H. Thurber
