Re: BZA Application No.: 17065
Gap, Inc. Child Development Center

Dear Mr. Kress:

This is in response to your memorandum, dated August 6, 2003, requesting review and a report on BZA Application No. 17065 from the Department of Human Services Office of Early Childhood Development (DHS/OECD). GAP, Inc. has submitted to the Board of Zoning and Adjustment a request for a Special Exception approval to continue an existing child development facility for a maximum of 140 children and 28 staff.

In accordance with requirements in 11 DCMR, Section 205.10, OECD's comments on GAP, Inc. are as follows:

GAP, Inc. has been a participant in the OECD's child care subsidy program for many years and is currently in good standing with OECD. It is a gold tier provider - the highest level in the OECD's Tiered Rate Reimbursement System.

If we can be of further assistance in this matter, please do not hesitate to contact Ms. Barbara Ferguson Kamara, Executive Director, Office of Early Childhood Development, at (202) 727-1839.

Sincerely,

Yvonne Gilchrist
Acting Director
