RE: BZA# 17068

Dear Director Kress,

The Capitol Hill Restoration Society Zoning Committee at a meeting held on 9 October 2003 considered the above case. The case involves the application of Eric and Holly Takamura for a special exception to allow a two-story rear addition to 622 A Street, N.E.

After the presentation the Committee voted unanimously to support the application. The Committee found that the impact of the addition was minimal and that the applicant complied with the test for a special exception.

Respectfully,

Gary M. Peterson, Chair
Capitol Hill Restoration Society
Zoning Committee
