To whom it may concern:

I believe the addition to the home at 1404 29th St. NW Wash. D.C. will be an asset to the community and block no one's sunlight.

I am a neighbor several houses down on 29th and have seen repairs and renovations, often extensive, on my block. None of these have caused concern for anyone as far as I can see, so I have no objections to this newly proposed project.

Sincerely,

Diana K. Munson
