Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?

DC has a RAT problem. A zoning exception/variance for Chef's Express has aggravated this situation. There is a health issue that is exacerbated by allowing food preparation in our residential area. RATS are everywhere.

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)

Owner of home at 1624 P St.

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.)

estimated at 75-100 FT (RATS go along back to/from C.E.)

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?

Approval: a continuation of a RAT infestation problem, one that will continue to get worse

A denial will improve the health and safety of our area.

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied.

IF denied we will have to continue the unhealthy and unsightly trapping of RATS - an eyesore for Dupont Circle.

6). **Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.**

#29 We are on the "route" to/from the Chef's Express. Our series of Townhomes is impacted greatly. This is not an area for food / trash to be available to rodents.
