EXPERIENCE

Mr. Schwartz has been the principal of Schwartz & Peoples Architects (formerly Robert Schwartz Associates) since 1975. He is a Fellow of the American Institute of Architects. From 1969 to 1975 he was a partner in OCTOBER architects and planners.

He has experience in every phase of project development including feasibility studies, site planning, architectural design and construction documents, interior design, obtaining permits, obtaining bids for construction, and supervising construction.

His firm's work has been published frequently and has received awards because of its inventiveness and design excellence.

Mr. Schwartz has extensive planning experience. He has worked as a planner in Boston Redevelopment Authority, as a consultant in Washington, DC for HUD and DOT and the Washington DC Planning Department.

He served on the DC Department of Housing and Community Development Architectural Review Board for four years.
