To Whom It May Concern:

On behalf of Easter Seals, I am pleased to write this letter to express our willingness to extend our agreement with Asian American LEAD to rent two parking spaces beyond the life of the current contract. Our current contract ends on April 30, 2003, but we are willing to continue renting two parking spaces to Asian American LEAD as long as they need them. This letter is intended to supplement Asian American LEAD's application (#17080) for a special exception to allow the establishment of their community center under Section 209 at 1323 Girard Street, NW.

While we have contracts with other organizations, I would like to emphasize that there is no duplication, i.e. we are not renting the same parking space to different organizations. The spaces rented by Asian American LEAD are solely for their use.

As stated in my letter of support, Easter Seals is most enthusiastically in support of Asian American LEAD's presence in the community. They have been very good neighbors, and we have had a very positive working relationship. I urge the Board of Zoning Adjustment to grant Asian American LEAD the exception that it needs to carry on its work.

Sincerely,

Lynne Gelzer
Director
