PETITION

I am a resident of the District of Columbia who lives and/or works in the neighborhood of Asian American LEAD, a non-profit community-based organization located at 1323 Girard Street NW. AALEAD actively serves the Asian refugee and immigrant community and therefore is a welcome addition to the neighborhood. Its work carries on the great tradition of Sojourners which served the community in a similar capacity at the same location for many years until they sold their building to AALEAD.
