RE: Application #17081

Dear Ms. Booth:

I write to ask your assistance in locating two sets of drawings for the gymnasium at St. Patrick's Elementary School that directly relate to the current case but were originally introduced in BZA Application #16517. Order #16517 was issued by the Board on December 28, 1999 and approved an expansion of the Elementary School and construction of a gymnasium.

There should be two sets of plans: the first set was approved by the Board in 1999, but a later set shows changes made by the school after the Order was granted.

As both sets of plans should be in the file, I would appreciate your help in making sure they are available prior to the hearing for Application #17081 on December 2, 2003. Parking is a major component of the hearing and the gymnasium plans are critical to the case.

Thank you,

Alma Gates
