RE: BZA Order No. 17081, St. Patrick's Episcopal Day School Whitehaven Campus

Jerrily Kress, Director
Office of Zoning
441 4th Street, NW Room 210
Washington, DC 20001

Dear Ms. Kress:

On October 7, 2004, the Board of Zoning Adjustment entered its order in St. Patrick's Episcopal Day School's application to permit an increase in faculty and staff on its Whitehaven Campus at 4700 Whitehaven Parkway, NW.

In that order, the BZA stated, in pertinent part,

- Condition number 2 of Order No. 15374 is amended to read as follows: "The number of students in the elementary school and the child development center shall not exceed four hundred and forty (440). The total number of staff and faculty shall not exceed one hundred and five (105) persons."
- The Applicant shall file an annual report with this Board and ANC 3D indicating that total number of faculty and staff, with a breakdown showing how the number of employees is under 105.

The purpose of this letter is to report on the total number of faculty, staff, and administration on St. Patrick's Whitehaven Campus for the 2008-2009 school year, as required by the BZA order.

The total number of faculty, staff, and administration on the Whitehaven Campus is 101 entering the 2008-2009 school year. Of that total, there are 81 members of the faculty and administration and 20 staff members. In addition, there are one vacancy and one new position on the faculty and administration side, both of which we will likely fill by the end of the calendar year, making 103 the actual number of faculty, staff, and administration on the Whitehaven Campus.

I am pleased to provide you with the information above, as required by the BZA order. Please let me know if you have any questions about St. Patrick's Episcopal Day School's Whitehaven Campus faculty, staff, and administration numbers.

Sincerely,

Peter A. Barrett
Head of School
