RE: BZA Order No. 17081, St. Patrick's Episcopal Day School Whitehaven Campus

Jamison L. Weinbaum, Director
District of Columbia Office of Zoning
One Judiciary Square
441 4th Street, NW Room 210S
Washington, DC 20001

Dear Mr. Weinbaum:

On October 7, 2004, the Board of Zoning Adjustment entered its order in St. Patrick's Episcopal Day School's application to permit an increase in faculty and staff on its Whitehaven Campus at 4700 Whitehaven Parkway, NW.

In that order, the BZA stated, in pertinent part,

- Condition number 2 of Order No. 15374 is amended to read as follows: "The number of students in the elementary school and the child development center shall not exceed four hundred and forty (440). The total number of staff and faculty shall not exceed one hundred and five (105) persons."
- The Applicant shall file an annual report with this Board and ANC 3D indicating that total number of faculty and staff, with a breakdown showing how the number of employees is under 105.

The purpose of this letter is to report on the total number of faculty, staff, and administration on St. Patrick's Whitehaven Campus for the 2010-2011 school year, as required by the BZA order.

The total number of faculty, staff, and administration on the Whitehaven Campus is 97 entering the 2010-2011 school year. Of that total, there are 78 members of the faculty and administration and 19 staff members.

I am pleased to provide you with the information above, as required by the BZA order. Please let me know if you have any questions about St. Patrick's Episcopal Day School's Whitehaven Campus faculty, staff, and administration numbers.

Sincerely,

Peter A. Barrett
Head of School
