RE: BZA request for variance #17088 at 1101 Kenyon St. NW

Dear Mr. Moy,

Regarding BZA Request # 17088 made by Mr. Willie Cook, for the existing restaurant and public hall at 1101 Kenyon Street NW, I express my personal support as a resident of the block adjacent to 1101 Kenyon Street NW, and as the elected Advisory Neighborhood Commissioner for the area-in-question.

I ask for the Board's forgiveness as to the untimely nature of this letter. Despite Mr. Cook's repeated attempts to contact ANC 1A, we did not receive his messages due to the fact that our office is currently relocating and our contact numbers are changing.

While the hearing for BZA Request # 17088 is scheduled for Tuesday, January 13th, unfortunately ANC 1A does not convene until Wednesday, January 14th, and as such is unable to pass a Formal Resolution concerning this BZA Request. I submit to you my personal letter of support, instead.

Thank you for your time and attention, and I appreciate your support for long-standing members of the Columbia Heights Community, such as 1101 Kenyon St. NW.

My Best,

Jenna J. Moheyer
Advisory Neighborhood Commissioner 1-A-06
