Subject: BZA Application No. 17090 - 2116 O Street, N.W.

Dear Mr. Bauer,

The above-cited application was filed with the Office of Zoning (OZ) four months ago on September 17, 2003. At your request, the OZ deferred the immediate scheduling of your case for public hearing to accommodate your out of the country travel schedule. OZ is presently scheduling BZA hearings in April, 2004. Please advise me as soon as possible with your intentions regarding this application.
