Re: Case #17095 - Application of Sun Service, Inc., 1701 Kalorama Road, N.W.

Dear Board of Zoning Adjustment:

I am writing to ask you to ***deny*** the application of Sun Service, Inc. for a special exception to allow a parking garage at 1701 Kalorama Road, NW.

Sun Service, Inc. is currently operating at this location, which is across the street from my home. They have proven to have no respect for the residents of this neighborhood in the manner they conduct business, which includes:

1. Conducting business on Friday and Saturday nights typically until 3:30-4:00 a.m., well past the normal closing time of other area businesses;
2. Operating vehicles at high speeds both outside and inside the garage;
3. Accelerating vehicles quickly, causing screeching of tires;
4. Soliciting passing motorists by yelling "Park!";
5. Overfilling the public litter cans;
6. Sweeping trash from the garage into the street.

In short, Sun Service, Inc. have been "bad neighbors." Please do not reward their unacceptable behavior by granting them another special exception.

Sincerely,

A.W. Greenfield
