Re: File No. 17095

Dear Chairman Griffis:

I am writing to request a continuance on this hearing because my company is continuing to negotiate for alternate space. We have yet to reach a final conclusion and expect to have a new location soon. Our company represents several commercial establishments and we provide parking for the Adams Morgan / 18th St. corridor. At the current time we are looking to negotiate with other venues in order to lessen congestion and find a more convenient parking alternative for residents, local establishments and patrons involved. A hearing at this time would be premature in that most of the negotiations would not be complete. I respectfully request this hearing be rescheduled until such time when negotiations are complete and I may be able to better put forth answers by this panel.

Please feel free to call me if you have any questions.

Sincerely

Bekir Gunes, President
