RE: APPLICATION NUMBER 17096

Dear Sir/Madam:

This letter is to express our concerns regarding the addition Cecilia and Lorenz Wheatley are pursuing to have on their home.

We have resided in our home since 1976 and have enjoyed our backyard view. When we purchased this home, one of the things we liked was the fact we could sit out back and just enjoy the view with plenty of space. If this addition is granted, it will block us in and will obstruct our view. We will not be able to see to the street and we feel this would lessen the value of our home.

As neighbors, we truly hope our concerns are taken into consideration when finalizing the decision for this addition.

We thank you for giving us an opportunity to voice our opinions in this matter.

Sincerely,

The Corbett Family Mr & Mrs Willie & Mildred Corbett
