Dear Neighbor,

We live in the Semi-detached house on the corner of Sherrier Place and Arizona Avenue. We are currently in the early stages of making plans for an addition to our home. The addition will be in the back and side of the house and will not affect the front facing Sherrier Place at all. We are adding a two-story addition that consists of a new kitchen in the back and master bedroom above- all of which is in our own backyard that faces the old Trolley Right-of-Way and National Park land.

Our architect has drawn up the plans for the outside structure which we have provided for your review. **If you approve of these plans, please indicate by signing below.**

Thank you for your assistance and patience regarding this matter.

Sincerely,

Hamilton and Georgia McGraw
