Dear BZA Members:

I am writing in support of the Most Worshipful Prince Hall Grand Lodge's application for use of their accessory parking facility located at 1902 Vermont Avenue.

I have found the Prince Hall Grand Lodge's parking lot to be a viable asset to the U Street Corridor. The parking lot allows members of the Prince Hall Grand Lodge to park on their accessory parking lot, in contrast to defraying from parking in front of the homes in my neighborhood.

The parking lot creates a change in the scenery of the neighborhood that allows a small area of open land and green space to contrast the ever growing onslaught of large homes and businesses in the area.

While some in the area are in opposition to the Grand Lodge's application; there are many that feel the parking lot is not an eye sore or blight to the community.

Sincerely,

BZA
