Case # 17100

01/27/04

To whom it may concern:

I spoke with an Officer Alexander of 5th District who in turn put me in touch with a police Information center that got me in contact with Lt. R. Caldwell to install the line for the phone and that will have my message install to notify the public as well as the officers on the beat or PSA this my coffee shop is a certified Police work station.
