RE: BZA Case No. 17103, STANTON GLENN

Dear Mr. Griffis

I hereby request a postponement of the subject case until June.

Due to miscommunication, the signs were not posted as required. The owner's own schedule requires him to suggest a date in June. In addition I will be away from June 11 until June 23, 2004

We regret any inconvenience this may cause the Board. If the Board prefers that we withdraw the case and resubmit at a later time, I will accede to that request when the Board take up the matter on June 20.

Thank you

Stephen Gell
