DETAILED STATMENT

RE: Bennett Career Institute
700 Monroe Avenue NE
Washington, DC

The Bennett Career Institute proposes to renovate the existing college dormitory and classroom structure at 700 Monroe Street NE for use as a Private Vocational and Technical School. The Bennett Career Institute will also provided a Child Development Center for the staff, students and surrounding community.

The existing parking lot will be reused as a parking lot. The existing interior court will be retained as a play area for children. The existing paved drive and drop-off will be retained as a drive and parking area.
