Re: Case No. 17110
Millennium Arts Center

Dear Mr. Griffiths and Members of the Board:

At a duly noticed public meeting on January 9th, 2004, Advisory Neighborhood Commission 6D voted 7-0 to support the application of the Millennium Arts Center for a variance to operate an Arts Center at the former Randall Junior High School Building at 65 I Street SW. (The ANC is comprised of seven members).

By providing artist's studios, exhibition and arts education programs, the Millennium Arts Center is an asset to the Southwest community and its residents. The Center has, as well, been a good neighbor to the community, in terms both of outreach and offering its facilities for meetings and other community activities.

The ANC is pleased that the City has enabled the Randall School to be "re-cycled" so creatively and usefully, and hopes that its views will be given great weight in your consideration of this variance.

Sincerely,

Ahmed Assalaam
