STEVEN DICKENS, AIA

Work Experience

- *Eric Colbert & Associates,* October 2001 - present. Senior Project Architect for all phases of various residential and commercial new construction and renovation, and historic rehabilitation projects including 2020 Lofts (2020 12th Street, NW), Rainbow Lofts (1445 Church Street NW), and The Phaeton (1529 14th Street, NW). Zoning and presentation specialist.

- *Adamstein & Demetriou Architecture & Design*, March 2000-October 2001. Senior Project Architect, involved in all phases of various projects including specialized commercial, restaurant, hotel, and residential projects.

- *Bowie Gridley Architects PLLC*, July 1998-March 2000. Senior Project Architect, involved in all phases of various projects, with a concentration on design.

- *KressCox Associates PC Architects*, summer 1988 and May 1989-June 1998. Started as a summer intern, continued as a permanent intern; ultimately became a Project Architect and then Associate. Involved in various capacities on numerous award-winning projects.

- *George Sexton Associates*, summers 1986 and 1987. Summer intern for lighting design (1986) and museum display design (1987). Assisted with building models, creating mock-ups, videotaping light levels, laying out light fixture patterns, drafting, and coordinating with clients. Briefly served as a lightning rod consultant.

- *Tulane University School of Architecture*, academic years 1987-88 and 1988-89. Teaching Assistant, 19th- and 20th-Century Architectural History.
