Board of Zoning Adjustment:

This letter is in regard to application **number 17124** of Howard Heu, Parkhill, Inc.

As a home owner and resident of 605 Massachusett Avenue, NE (square 0866, lot 0803) my concern is the blocking off of the alley way running behind 603 and 605 Mass. Ave.

Any obstruction to access the rear of our properties should be taken into consideration when granting off-street parking spaces. What guarantee will there be that motor vehicles will not be obstructing access once approved? I have lived at 605 for over 17 years and rear access to my property has always been available.

Enclosed is a 1885 survey of the properties.

Thank You,
Sincerely,

Richard J. Muringer
