Pursuant to Subsections		772, 773 and 2101.1

Any approval of the application by the Board of Zoning Adjustment does not constitute a Board finding that the relief sought is the relief required to obtain such permit, certification, or determination.

The undersigned agent and owner further acknowledge that any person aggrieved by the issuance of any permit, certificate, or determination for which the requested zoning relief is a prerequisite may appeal that permit, certificate, or determination on the grounds that additional or different zoning relief is required.

The undersigned agent and owner hereby hold the District of Columbia Office of Zoning and Department of Consumer and Regulatory Affairs harmless from any liability for failure of the undersigned to seek complete and proper zoning relief from the Board of Zoning Adjustment.

The undersigned owner hereby authorizes the undersigned agent to act on the owner's behalf in this matter.
