RE: Application No. 17141, Sexton residence, 2505 P Street

Dear Mr. Chairman and Members of the Board:

On March 2, 2004, ANC 2E held its regularly scheduled public meeting which was properly noticed and at which all six of the commissioners were present, constituting a quorum. At the meeting the above-referenced item was presented. A motion was proposed and passed by a unanimous vote. The motion is as follows:

> ANC 2E has no objection to the applicant's request for a special exception to allow a rear addition at 2505 P Street and notes ANC 2E 's prior approval of the project design and letters of support from the neighbors.

We remind you of the great weight that this motion carries. Thank you for your consideration.

Sincerely,

Tom Birch
