As a Member of MAYDAY DC,
I find a shocking lack of concern
for housing and shelter issues on the
part of this city. The need for
shelter rises from outrageous rents—
like the Chinatown rents that TRIPLED
as a result of Mci Arena and Shaw
rents that the New Convention Center
will run up.

That being so, we ask that the
board Reject application #17145 on
the grounds that shelter for women is
more important than parking for cars, and
a private organization is already offering to
run a women's shelter in the Old Convention
Center.
