MEMORANDUM

TO: Jerrily R. Kress, FAIA
Director
Office of Zoning

FROM: Kenneth Laden
Associate Director for Transportation Planning

DATE: May 24, 04

SUBJECT: **BZA Application 17160**

The District Department of Transportation (DDOT) has reviewed the application and other materials accompanying your memorandum dated March 03, 2004. This memorandum **addresses the transportation elements of the application.**

Northwest Settlement House filed the application. The property is zoned R-4 and currently used as child development center. It is bounded on the east by a residential building, on the west by a residential building, on the north by Ridge Street Street, N.W., which is a local street and on the south by a dead-end alley.

The owner is requesting variance from capacity requirements of 15 children to 40 children. Lot occupancy requirement of 40% to 62% and parking space requirement of 3 to none. There is no parking space in the lot at present.

Lack of 3 parking spaces as required is **not** adversely impacting the neighborhood as there are numerous off-street parking spaces available. Therefore, from the transportation standpoint, District Department of Transportation has no objection to the proposal.
